

Learning Intention  
Hey, why this lesson?

TO LEARN THAT TO BE IN CHARGE OF  
YOUR ATTITUDE IS A CHOICE

Jesus spent 40 days/nights in the desert and would not be tempted by the devil. Just as Jesus showed his followers that there were better choices in attitude when coming up against challenges, so you need to know that you have many choices in your life. Your attitude is also a choice.

Hint: To concentrate on getting students to reflect on their attitude and how it fluctuates.

Scripture

*Then he took a little child and put it among them; and taking it in his arms, he said to them, "Whoever welcomes one such child in my name welcomes me, and whoever welcomes me welcomes not me but the one who sent me."*

– Mark 9:36-37

On page 27, Mark's scripture stresses the importance of welcoming. In MJR we use an acronym called W.E.S.T. with the 'W' standing for welcoming and the 'E' all about encouraging. Discuss with the students the implications of constantly having the positive of these two habits e.g. when you welcome someone new or encourage people around you.

Virtues

C.A.R.E.

- **courteous** – showing good manners, respectful and polite
- **accountability** – responsible for and answerable
- **respectful** – gracious, attentive, thoughtful
- **enthusiastic** – eager, committed, passionate and energetic

Look at page 25. You will notice that there is an additional virtue added here: the word **Enthusiastic** to complete the C.A.R.E. acronym. Ask the students to discuss these C.A.R.E. virtues.

### Warm Up Activity

Record over the next 24 hours on your mobile phone (either visually or written) or in writing in this journal, at least 10 situations/moments/websites that gave you a positive vibe. Share them the next time the class gets together.

### Main Activity

1. Use the C.A.R.E. virtues to reflect on the last 24 hours. Complete page 25 – Control the Controllables.
2. Turning negatives around is a skill that needs to be practised. Page 26 gives the students an opportunity to list and then reflect on how well they coped in some situations.

### Spiritual Connection

#### Spiritual Connection Activity

Ask the students to complete the following:

The key to happiness is ..... (let them Google others ideas if they are having difficulties).

### Prayer/Reflection

Reflect with the class on the following from the Dalai Lama...

**‘The ultimate source of happiness  
is our mental attitude.’**

This is actually a very deep statement that will open up many discussions.

### Reflection Questions

#### Reflection Activity

1. Ask students to choose an area /attitude that they need to change. Fill in page 27.
2. After completing the ‘I feel positive when \_\_\_\_\_ list’ on page 27 ask the students to write one of these in their journal and then explain in more depth why this is the case.
3. Also if it does create such a positive feeling, how can they make it a habit?

## Success Criteria

Use the C.A.R.E. virtues to reflect. How are we accountable and yet let ourselves and others down? Page 28 talks about 'positive vibes' – what does this mean and who gives you these in life?

Students will be able to ...

- write about the importance of knowing that their attitude is a choice and that they are in-charge of this
- use the C.A.R.E. acronym to describe how they are in charge of a positive attitude
- record on their phones/journal great moments in their day and then share them
- understand that everyone makes mistakes and that they are part of every person's journey.

## Take Away

Ask the students what is the ONE thing they are going to take away from this unit of work.

## Extensions

### Extension Ideas

1. Liam Neeson's story – watch how his life has unfolded and consider if students now view him in a different light.
